A-Level: Los ídolos

A. Translate to Spanish:

A Spanish woman won the X Factor competition.
She impressed the judges with her wonderful singing. Also, she was able to dance amazingly well to despite her age. Everyone in the public was surprised.

With her prize, she said she was going to donate some money to charity events in her town. She also mentioned that she was going to travel the world as she is now retired.

I wish my grandmother had the same passion and energy.
